

# KWPS ~ YELLOW PAGES

## 11TH MAY 2018

### Good Luck Year 6

Year 6 have been working extremely hard since the beginning of this term in the build up to their SATs tests which take place next week. Once again we are saying that your child is more than welcome to bring their slippers into school to wear during their tests ~ findings from research suggests that the children perform better when they are more relaxed. Please could you also ensure that the children have early nights and a good breakfast ~ it could make all the difference! They have worked so hard in the build up, it would be a shame if they didn't achieve their best because they were tired!!

Could you also please ensure that they bring water bottles to school so they can keep their brains hydrated!

### Congratulations Year 4!

Year 4 visited Cuerden Park as part of their Topic on Rivers. I really was delighted to hear that the staff running the activities stated that our school had shown the best understanding and knowledge in relation to rivers that they had seen in a long time. What a compliment for them and their teachers! The staff at the centre also commented on the children's high standard of behaviour too! Very well done Year 4!

### PE Kits and Names in Clothing

Another plea for PE kits to be in school all week and for all clothing especially jumpers and cardigans to be named please. We have a number of specialist sports coaches coming into school this term and it really would be a shame if anybody has to miss out due to no PE kit as we are running very short of spares.

We also have our Junior sports day coming up in just over a week and we will not have enough spare shorts or T-shirts.

### Useful Websites ~ Hit the Button

Speedy recall of number bonds and timetables are a vital part of the Maths curriculum and in addition to Number Shed, which many of our children are using, Hit the Button is also very popular. Although we are trying to give the children opportunities to use this in school, daily 5 or 10 minute sessions at home would make a huge difference. Simply type 'Hit the Button' into google and select the top marks/hit the button link. Why not challenge your child to beat your score?

### Key Dates

Tues 15th	6.30pm	Meeting for parents of our new Reception children
Wed 23rd	1.30pm	<b>Junior Sports Day</b> ~ Spectators welcome (Thursday 24th if wet)
Thurs 24th		School Closes ~ Normal time
