

KWPS ~ YELLOW PAGES 15TH FEBRUARY 2019

Young Voices

What a fabulous afternoon and evening we had yesterday when 29 of our Junior choir members, from Y4-6, took part in Young Voices at the Manchester Arena. They thoroughly enjoyed the opportunity to sing with 8,000 other children and were especially pleased to spot Urban Strides when we were leaving the arena. Photos will be added to the school website after half-term.

Y4 Synagogue Visit

I received a lovely message about Y4 praising their behaviour and knowledge during their visit to the

Thank you

On behalf of all the staff I would like to say a heartfelt thank you for your kind words and lovely cards which I shall make sure I pass on to Mr Meaney. We are all devastated to lose our much loved colleague after such a brave fight against her illness. Mrs Meaney, who has been part of our school for over 12 years, was a very talented teacher who was always determined to give every child the opportunity to succeed. Both my boys were fortunate to have been taught by her and I know that her kind, caring and fun approach to teaching will last in their memories and all those whose lives she has touched. The funeral will be taking place during half-term.

Maths Problem

The solution to last week's problem was - **21 combinations of flavours**. Well done to every one who earned a merit point by bringing it in. This week's problem is a little tricky. How many squares are there on a chessboard altogether? The hint is that there are 64 smaller squares but lots more can be found. We have included a chess board on the back to help ~ you may wish to draw on it.
