

KWPS ~ YELLOW PAGES 29TH MARCH 2019

Mary Poppins

Year 4 and 5 had a wonderful time on Monday afternoon at Kirkham Grammar Junior School's production of Mary Poppins. The children thoroughly enjoyed the performance and both the acting and singing were fabulous. They loved the free ice-cream in the interval too!

Dodgeball ~ Champions

Huge congratulations to the children from Y4, 5 and 6 who represented our school in the Dodgeball League over the last two Wednesdays at Carr Hill. I am delighted to tell you that they played extremely well and were last night crowned champions as they were top of the league. A huge thank you to Matt from AFC Fylde for accompanying them ~ the many years of dodgeball practise at lunchtime has certainly paid off.

Recycling Opportunities

We have seen a little more of the sunshine this week and we are hoping that it continues. The children are wanting to develop the use of the chill zone at lunchtimes and we wondered if anyone had any old comics/children's magazines/annuals that they wished to donate. The children will then be able to sit on our gigantic cushions to read them. We'd also be grateful for any unwanted rolls of wallpaper ~ they always prove very popular for drawing on in the Summer months.

York

Good luck to our Year 6 class who are going on their residential visit to York next Monday. Please can they remember to bring their packed lunch and day bag together with a warm, waterproof coat. If it is a fine day, suitcases can be left under the office window. Any prescribed medicine specific to your child should be handed by parents directly to Mrs Taylor at the office.

Road Safety Around the School Gates

We have had a number of near misses recently ~ please can I remind all our parents that it is not appropriate to pull onto the kerbs when there are children walking close by on the pavement. Thank you for your support with this.

Kirkham Music Centre Concert ~ moving!

I am delighted to say that Lancashire Music service have decided to move the Kirkham Music Centre to be based at our school on a Monday evening. They are hoping that this will give more children the opportunity to join them. They will be having a launch night on Monday 29th April ~ more details can be found overleaf.

Dates for the Diary

Y2 Parents' Evening ~ Mon 1st and Tues 2nd ~ Slips with allocated times have been sent home today.

Film Night ~ Wednesday 3rd April at 6pm ~ This is proving very popular. The very last day for booking a place is Monday 1st. It is £2 per child and includes popcorn and a drink.

We anticipate finishing no later than 8.00pm and to ensure the safe collection of your child we will be operating the same one way system used at the discos. Please come to the door in the far Junior playground, next to the Environmental Garden and Activity Room to collect your child.

Please note with 36 children booked in for after-school club that night and a hall that needs setting up, we would be grateful if you could try and collect your child a little earlier and take them home for tea before bringing them back for the start of the film at 6.00pm.

Y1 Class Assembly ~ Thursday 4th April ~ 9.00am ~ we look forward to seeing you there.

School Closes next Friday 5th April ~ 2.30pm (No after-school club)

School Re-opens Tuesday 23rd April
