

KWPS ~ YELLOW PAGES

16TH NOVEMBER 2018

Children in Need Appeal

Thank you to everybody who supported our Children in Need appeal by bringing their teddy to school. They all joined us for our Child of the Week assembly today. We raised £206 altogether.

Anti-Bullying Week ~ Choose Respect

We have been focusing on the theme 'Choose Respect' this week, exploring how we can show respect and the importance of 'choosing' to do the right thing. We have also emphasised the importance of telling an adult if they feel they are being bullied or see something they are unhappy about. We would be grateful if you could reinforce this message at home.

Remembrance Day

A huge well done to the Y6 children who represented the school so well in the Remembrance Service last Sunday at Kirkham Cenotaph. They should be very proud of themselves. It was lovely to see so many of our children taking part with their uniformed organisations too!

Winter Wonderland Fair ~ 30th November

Last Date for Returning Santa Visit Slip ~ Next Tuesday 20th November

The PTFA held their last planning meeting on Monday night and sent a letter home this week giving more information about our forthcoming Winter Wonderland Fair. It included a slip for booking visits to Santa ~ please ensure that this slip is returned by next Tuesday 20th November as the slots fill up quickly.

Non Uniform Day ~ 23rd November

We will be holding a non-uniform day next Friday with the fine being something for the chocolate or bottle bola. Please can any glass bottles be handed to an adult at the door. Any unwanted teddies for our eco stall and unopened toiletries or gifts for our 'Secret Santa' room would be gratefully received.

Cakes and Raffle Prizes

They are also hoping to have a cake stall ~ please could these be sent in on the morning of the Fair. Finally, if anyone has contacts with businesses who may be interested in donating a prize to our raffle it would be very much appreciated.

Photographs

For the first time this year Tempest enabled parents to order their photographs online. Some of these orders have already arrived in school and been sent home. This has caused some confusion as the photographs which were ordered the traditional way have not arrived yet. Please do not worry if your order hasn't been sent home yet.

Parking on Woodland Avenue

Both I and a local councillor have received numerous complaints about parents driving down Woodlands Avenue, parking over drives, stopping on zig zag lines and performing 3 point turns in a narrow space with children crossing the road. These all potentially endanger the safety of our children. I am aware that parking is a real issue around our school but I am sure you understand that the safety of our children is paramount.

Important Information on the Reverse Including Order Form for Christmas Meal

**Maths Activity Evening ~ Parents of our Y1-6 Children
Tuesday 27th November ~ 6.30 -7.30pm**

Just a reminder that we gave out a flier about a forthcoming Maths session at our recent parents' evenings.

Do come along and join us to:

- Have fun with Maths;
- Find out what your child is learning in Maths;
- Find out how Maths has changed since you were at school;
- Find out how you can support your child at home.

The evening will be led by a Lancashire Maths consultant, who led the staff training on our INSET day recently and is linked to our School Development Plan focus of providing greater challenge in Maths. (Challenge for our pupils not our parents of course!)

Please note that **children are more than welcome to join their parents**. Lynsey will be involving them in the evening too, although it is probably not suitable for our younger children. However, we can provide a crèche for any Infant children to enable more parents to come.

We do hope that you will be able to join us.
