

KWPS ~ YELLOW PAGES 2ND NOVEMBER 2018

PTFA Disco

We had a lovely disco on the Thursday night we broke up ~ it was fabulous to see the older children looking after the younger boys and girls so well. A huge thank you to all the parents and staff who helped to ensure that it ran so smoothly - I think we had the best turn out of parental helpers ever!

Thank you also to all our parents for waiting so patiently to drop off or collect their child at the beginning and end of the evening, this enabled us to make sure all children were registered on entry and collected safely at the end.

The PTFA will be holding the final planning meeting for our Winter Wonderland Fair on **Monday 12th November** at 7.30pm. Do feel free to come along.

Staffing Update

We are delighted to welcome two new members of staff to our KWPS team, Mrs Mel Clarke and Mrs Sammie Jennings.

Some of you may well have already spoken to Mrs Clarke who is our new secretary. Although she only joined us on Monday, she has certainly hit the ground running and it feels as though she has always been at our school!

Mrs Jennings who will be supporting our Y2 class, started yesterday. She has already got to know many of the children as she has been popping in each week since her successful interview. I know that the children were very excited to see her on Thursday and learn that she will now be with them full time!

Parents' Consultation Meetings

Appointment times for the forthcoming parents' evenings have been sent home today. We have had an excellent response from most of our parents. If you have not yet managed to arrange an appointment time please do so as soon as possible. Please note the earlier time slots do fill up quickly so we may not have been able to give everyone their preferred time.

Poppies

Thank you everyone who has supported the poppy appeal this week. The merchandise will be on sale next week too and we would like as many children as possible to be wearing poppies next Friday when we will be reflecting on the centenary of the end of World War I and remembering the men, women and children who have died all over the world as a result of conflict.

More Sporting Success

Congratulations to our netball team who took part in a tournament at Carr Hill on the first day back this week. They played extremely well, showed good sportsmanship and came second overall, winning a silver medal.

Parental Governor Vacancy

We are fortunate to have a very proactive and supportive Governing Body who make a valuable contribution to the decision making and monitoring of our school. We currently have a vacancy for a Parent Governor and although it does involve a time commitment, it is a rewarding role as I am sure our current Parent Governors: Lindsey Riggs, Lisa Greenwood and Colin Smy would confirm. We have to follow a strict protocol in terms of proposing and electing Governors and the papers will be sent home next week. However, in the meantime' if you are interested in becoming a Parent Governor do chat to me in more detail about the role.
